SANSKRITI
let's be the change

HELLO SANSKRITI
well-wisher,

We are presenting our April – June 2023 quarterly newsletter. At Sanskriti, we start every day with a mindset to make a difference in the world. And with one day, one library, one book, one kid – we are on our mission to change the world through books. Last quarter, we opened more libraries along with changing the legal structure of Sanskriti to a Trust in Dehradun with 80G tax exemption certificate. Now donations to Sanskriti would be tax exempted. We organized book donation drives with UPES and Cynoteck last quarter which helped us immensely. Thanks to both organizations. We are continuously making a difference with our efforts for a better world. Please go through the newsletter to know what more we did in the last quarter.

Thank you for your constant support.
Warm Regards,
Jogi
