Republic Day Celebration

On January 26th, we marked Republic Day with a distinctive celebration. To engage and inspire the children, we arranged a poetry competition at our center. The event was a platform for the children to express their patriotism and creativity through verse. With enthusiasm, they recited heartfelt patriotic poems, reflecting their love for the nation and its values.

In addition to the poetry contest, the children also showcased their fervour for their country by singing patriotic songs. Their voices resonated with pride as they rendered melodies that symbolized unity, diversity, and the spirit of India.

Through these activities, we aimed not only to commemorate Republic Day but also to instill a sense of national pride and identity in the young minds. It was a moment of joy and inspiration for everyone involved, fostering a deeper connection to the rich heritage and values of our nation.

Women's Day Proud Run 2024

We hosted a Women's Day virtual pride run in collaboration with our CSR associate, ETechDreams. From India to Europe, our event has surpassed boundaries, bringing together more than 50 cities, spanning 8 countries, and crossing 5 continents. Experience the impact of motivation as we connected with over 50,000 individuals through social media, sparking a fervor for running across the globe. From youngsters of 8 years old to those in their 70s, our varied WhatsApp communities were vibrant with enthusiasm. On the day of the race, at 5 AM, our initial running activities commenced, and the delight evident on every face was our ultimate reward!
