SANSKRITI

LET'S BE THE CHANGE

SANSKRITI NEWSLETTER
(JANUARY – MARCH 2023)

Dear well-wisher,
It gives me immense pleasure to share our first quarterly newsletter for 2023. We started the new year with lots of enthusiasm, hope and energy. As an organization, we are growing everyday in many dimensions and we are looking forward to exponential growth in coming weeks. This quarter was good and we continued with our mission to make a difference. New libraries started along with new initiatives. In one of the initiatives, AAPNA Infotech team is supporting us to teach kids on every week. It started as one month initiative but it will be extended to a full year. There was something unique this time - we opened a Braille library as well. Just a thought crossed my mind - What a wonderful world we can create if we all work together! Please continue reading to know about our work in first quarter of 2023.

Library 105 –
KLE CBALC LEAD CELL – Government Kannada Medium High School, Belgavi

We are delighted to announce that under our mission 1000 libraries, a new library was opened in association with KLE CBALC LEAD CELL at Government Kannada Medium High School, Ramteerth Nagar, Belagavi on the 17th January 2023. The students of one of the institutions of KLE Society donated various books to successful completion of the campaign. We provided them with infrastructure and are thankful to Prof. Soumya Naik who guided the campaign and addressed the students on how to use the books. Let's continue the change, one library at a time.

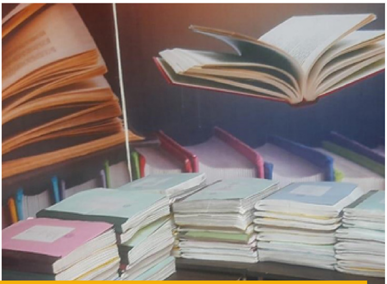
Library 106 – WCSW – Women's Council for Socio-Economic Welfare, Bhubaneswar, Odisha.

And very soon our next library found its way to the Women's Council for Socio Economic Welfare, Bhubaneswar, Odisha. WCSW is a non-profit organization which helps in the upliftment of women and children in the society. They named their classes as "Masti Ki Pathshala" in which kids are taught and involved in various fun activities too and indeed learning through fun is always a great way of learning . We are on the mission to empower children with books and libraries, and be a part of change.



Library 107 – Braille Library

Every library is an effort to bring change but this one is special. One of its kind - We have opened a "Braille library" in Saharanpur with Ajay Singhal Ji. Ajay ji who is a karamaveer, works on ground to make a difference in all the ways possible. Let's not wait for the change, let's be the change.

Library 108 – Composite School, Unnao

We opened our new library in Composite School in Safipur, Unnao. The students along with the teachers were happy to see the books. They called to let us know how much they enjoyed the books and how excited they are to read them. Let's continue to be the Change!!

Library 109 –
Sabki Pathshala Trust, Delhi

We successfully opened our 109th library in partnership with the Sabki Pathshala Trust, Delhi. The mission of the trust is "To ensure a smile on every face." Each library brings a change in the society and we continue on our mission to have 1000 free libraries.

मित्रसेन और ठग
Cinderella
Far from the Madding Crowd
Maharana Pratap and His Times

We are happy to announce that our mission of opening free libraries continues. This one is opened in a Government Senior Secondary School Shikwara, Block Punhana, District Nuh, where Sunil Dalal is doing a wonderful work with children, inculcating the good habit of reading books. We have provided them with 114 non-academic books in both English and Hindi. We are on the mission to empower children with books and libraries. Let's be a part of change.

Each Teach Drive – AAPNA Infotech

We are thankful to AAPNA Infotech for making us a part of their Each Teach Drive Initiative. In this Initiative AAPNA commandos taught Sanskriti library students virtually on weekends. Different topics were taught in the sessions. Children got to learn English, storytelling, computers, free hand drawing, etiquettes and dance. They thoroughly enjoyed the session and gained new knowledge. We appreciate AAPNA's effort for delivering such exciting sessions.

Storytelling Program

Storytelling is an art and keeping in mind we have started taking storytelling sessions in the nearby schools of Kandoli. It is not just about reading the text, it is much more, expression, body language, value education, emphasizing on words, learning new words, enhancing reading and speaking skills, simultaneously understanding of writing a sentence, paragraph and a story !

We have all grown up listening to stories. And needless to say, we might have forgotten some incidents of our childhood but not stories narrated by our grandparents.

Fables have existed for over centuries, shaping up our characters, beings and whole personality. Stories teach us, shape us, make us and give a totally different perspective to the situation and life.

In future we are aiming to go online on our Instagram, Facebook and YouTube channels so that more children associated with Sanskriti Trust can benefit from the program. We had volunteers, Ms. Neetika, Dr. Priyanka, Ms. Youktika who skillfully taught concepts of empathy and realization to the little ones. It is important to teach the younger ones the idea of kindness, love, respect, empathy so that when they grow older, these emotions become the foundation of their characters and personalities.

For contribution and volunteering, please connect with us.
