Sanskriti Newsletter (October – December 2022)

Let's be the change

We'd like to welcome you to our quarterly newsletter; it will give you details of our most exciting and successful projects from the last quarter of 2022. You will get to know about our new libraries' establishments, festive celebration, and our book donation heroes. We also held a winter Uniform Donation Drive this quarter. We would like to express our gratitude to our team, volunteers, donors, and collaboration partners for making our work possible. We hope you enjoy reading our newsletter.

Library 102 – Suraj Basti, Chander Road, Dehradun

The library in Suraj Basti, Chander Road, Dehradun, opened prior to Diwali. Suraj Basti is one of the Aasraa Trust's projects that focuses on supporting mainstreamed children after school. There are evening classes for primary and upper-primary students there. The students participated in a drawing, diya, and rangoli-making competition. When they saw the books, the kids were excited. Ms. Sonia Gahlot sponsored this library for her birthday. We truly value her efforts.

Library 103 – Village Manjitha

“Jago Ri Jago” campaign is run by Mr. Chandra Prakash in Village Manjitha, District Barabanki, Uttar Pradesh. The campaign encourages and promotes education for girls. The center is run by retired government official Mr. Chandra Prakash with the assistance of a few volunteers. We were thrilled to participate in such a campaign. We assisted them with library infrastructure and opened a library for them. We are eager to participate in additional campaigns of this kind.

Library 104 - GPS, Kolhupani, Dehradun

We opened our next library in Kolhupani, Dehradun, at Government Primary School. Ms. Sonia Gahlot also sponsored this library. On her niece's birthday, there was a drawing and a quiz contest. The donated non-academic books were read eagerly by the kids. Ms. Sonia's contribution to our movement for free libraries is greatly appreciated. How about we change the local area to make our exceptional days considerably more essential.

Diwali celebrations in the center

At our center in Lower Kandoli, Dehradun, we celebrated Diwali with the kids. Rangolis and diyas were made by the kids. The children were energized and glad to celebrate Diwali there. We celebrate all occasions with our children, including festivals and birthdays.

Children's Day Celebration in the center

Our students gave a speech to mark Children's Day. We were pleased to observe their self-assurance in speech. We had snacks and played some fun games.

Book Donation Hero

Mrs. Bhavna Mittal

We are grateful to Mrs. Bhavna Mittal, who once more provided us with a substantial quantity of books. In the upcoming libraries, the books will be used. We are indebted to her for assisting us in the cause of free libraries.

Uniform Donation

We also held a uniform donation drive this year, in addition to our free library movement. We provided tracksuits and sweaters to Government Primary Schools in Gajiyawala and Indira Nagar, both in Dehradun. We appreciate every individual who approached us to help us in this drive.

We are looking forward to be bigger and better to make a difference in coming year. We also hope to bring new projects to move forward in 2023.

We wish you a prosperous and happy new year!
